LIGHTWEIGHT ELECTRIC GUITAR GIG BAG

SPECIFICATION SHEET

wayfinder

PRODUCT FEATURES:

LIGHTWEIGHT & PROTECTIVE

This gig bag is crafted with a rugged nylon exterior and a soft, padded interior to safeguard your electric guitar from scratches and minor impacts.

COMFORTABLE & VERSATILE CARRYING OPTIONS

Equipped with adjustable backpack straps and reinforced side/rear carry handles, making transportation effortless for musicians on the go.

SPACIOUS ACCESSORY STORAGE

A large zippered front pocket provides ample space for sheet music, extra strings, capos, tuners, and other small essentials.

PERFECT FIT FOR MOST STANDARD ELECTRIC GUITARS

Designed to accommodate popular models, including Fender Stratocaster, Telecaster, and similar styles for a secure and comfortable fit.
