

WF-SUB-POLE

SUBWOOFER POLE WITH M20 THREAD

SPECIFICATION SHEET

wayfinder

PRODUCT FEATURES:

UNIVERSAL M20 THREAD COMPATIBILITY

Features M20 thread and 1.375" (3.5 cm) ends to fit a wide range of subwoofers and speakers for versatile setup options.

EASY SPEAKER MOUNTING

Makes positioning a full-range PA speaker on top of a subwoofer a quick, secure, and hassle-free process.

HEAVY-DUTY STEEL CONSTRUCTION

Built from rugged steel for long-lasting strength, stability, and professional reliability.

ADJUSTABLE HEIGHT RANGE

Extends from 30" - 54" (76.2 - 137.2 cm) for optimized speaker placement and maximum sound coverage.

SECURE LOCKING DESIGN

Integrated safety pin prevents slippage or collapse during performances, supporting up to 100 lbs (45.4 kg).

EXTERIOR DIMENSIONS:

MINIMUM HEIGHT: 30" [76.2 cm]

MAXIMUM HEIGHT: 54" [137.2 cm]

WEIGHT CAPACITY: 100 LBS [45.4 kg]
